paigevaulter Spring is finally here!

toddwprice7 I love this! It's a sure sign that warmer days are near. Is this from your window?

travisthetford Wow, pretty cool. How long do the trees look like this?

176w

Reply

j_a_shea How did you take this picture? Really cool!

176w

snazaran95 I can't imagine seeing all of the trees looking like this at once. I don't know if I'll ever make it to Japan, but maybe I should go see the cherry trees in Washington DC one of these years!

176w

jeffreyeschbach I agree! I used to live in Japan, and the cherry blossoms are amazing in the springtime. And every city across the country seems to organize a "sakura" festival to celebrate too. Now that I'm thinking about it, going back next year might be a fun spring break trip!

karaeschbach Gorgeous! I love cherry blossom season... I'd love to go to Japan and see all their festivals one year!

travisthetford Did you go scuba diving to get that picture of the sea lion?

paigevaulter "Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I—
I took the one less traveled by,
And that has made all the difference."

paigevaulter Best trip!

jeffreyschbach Reminds me of Thailand. In Bangkok you can take a boat ride down the river, and local merchants pull along side you to sell everything from food to clothes to art! I wonder if it's something like that.
